**Tuesday 3:00 - 4:30**

I ♥ Books

We heart books. If you heart books too, come take exciting adventures with us as we share our enjoyment of the art of storytelling through read aloud. We will spend our time reading together, listening to each other's ideas, and doing various activities that explore and deepen our understanding of what's really going on in books!

Frankie Medack and Susan Greenwood are teaching this studio. You may know them from such places as Room 305! Come hang out and see how exciting reading can be.

**I Books will meet in Room 305.**

**Wednesday 3:00 - 4:00**

Group Guitar - UE

This studio will cover beginning guitar concepts such as: reading music, tablature, basic chords, scales, and learning simple songs. All while providing a fun and easy-going approach to learning the fundamentals of the guitar and of music.  
**NO previous musical experience required.**

\*\*Students will need to be able to bring an electric or an acoustic guitar\*\*  
\*\*Guitars are available by request on the elementary floor\*\*

This studio will be taught by Chicago guitarist, Terry Bartolotta. He holds a Bachelor's and Masters degree in Music (guitar) and plays a variety of styles. He has 5 years of teaching experience. (and he is a friend of Rose!) Terry is also available to students of all ages for private lessons: [tbguitar@gmail.com](mailto:tbguitar@gmail.com)

**Group Guitar will meet in Room 307.**

**Wednesday 3:00 - 4:30**

Face Painting

Have you ever wondered what it would be like to transform into your favorite animal, a superhero, a magical creature, or even an alien? In Face Painting you can become whatever you want with just a few simple brushstrokes. Each student will receive an 8 color paint palette with enough paint to paint 50 full faces, brush, sponge, 20 page face painting guide, and standing mirror. All skill levels welcome.

This studio is taught by Jamie Olah you may know her from RM 309!

**Face Painting will meet in the Annex/Kindergarten Science Room.**

**Wednesday 3:00 - 4:30**

Messin' with MicroWorlds - UE

In Messing with MicroWorlds, upper elementary students can learn to use tutorials, help screens and programming environment of the latest version of Microworlds to develop their programming skills.

This studio is taught by TJ Leone, who worked as a professional computer programmer for many years and taught lots of Microworlds classes to 4th, 5th and 6th graders at Northwestern.

**Messin' with MicroWorlds will meet in the Library.**

**Thursday 3:00 - 4:00**

Baking with Betty

Baking with Betty is exactly what it sounds like. You will be baking with Betty! Different foods will be made in every class. Get ready for breads, cakes, and other sweets! Come measure, pour, mix, eat and don't forget clean-up!

This studio is taught by Betty Metovic you may remember her from RM 105.

**Baking with Betty will meet in the Spanish/Practical Life Room.**

**Thursday 3:00 - 4:00**

Let's Go to the Movies

Watch movies in a whole new way! Join us as we discuss movies that feature great photography, beautiful music and dazzling special effects. We'll share some great moments in film history and develop our skills at making good choices about what to watch at home.

Steven Frenzel facilitates this studio. Steven has taught film to children in Chicago area Montessori and public schools.

**Let's Go to the Movies will meet in the Library.**
